BUREAU OF SANITARY ENGINEERING.

Notification dated 1st November 1932.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 3 P.M. on 19th November 1932, for providing drainage arrangements for the Body Guard Lines, Mysore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1933.

2. The plans, detailed estimate and conditions may be seen at the Executive Sanitary Engineer's Office between the hours of 11 A.M. to 5 P.M on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for providing drainage arrangements for the Body Guard Lines, Mysore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Sanitary Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Sanitary Engineer will be final and legally binding.

B. R. GARUDACHAR,
Executive Sanitary Engineer.

WATER SUPPLY DIVISION, BANGALORE.

Tender Notification dated 25th October 1932.

It is hereby notified that sealed tenders will be received up to 3 P.M. on the 21st November 1932, at the Office of the Executive Engineer, Water Supply Division, Bangalore, for running the Tiffin Club attached to the Water Supply Division for a period of one year commencing from 1st December 1932. The successful tenderer should bind himself by a necessary mutchalika.

2. Sealed tenders are to be accompanied by an earnest money of Rupees Twenty-five (Rs. 25) in cash only with the superscription both on the face of the cover enclosing the tenders and in the top of the tenders inside as "Tender for running the Tiffin Club attached to the Water Supply Division, Bangalore."

3. The rate of monthly rent tendered should be specifically, definitely and exactly written up in the tender both in words and figures. Any tender offered at the rate of so much percentage higher or at the rate of some rupees more than the rest will not be considered but they will be rejected.

4. The successful tenderer will be bound to pay up the monthly rate of rent accepted on or before the 10th of each month to which it relates; in default of which he will be obliged to vacate the building within 15 days' notice. Should he under any circumstances is obliged to vacate the building and cease to run the club within the expiry of the accepted period of lease, he is liable for the payment of rent in full calculated for full one year.

5. The Club Keeper will be responsible for keeping the building and its surroundings in good, healthy and Sanitary condition and will also be held responsible for any damages caused by fire or through carelessness or neglect; and the cost of such damages to the building will be made good by himself. He is also liable to maintain and run the club in good working order without giving room to extraneous complaints in any quarters.

6. The preparations should be of guaranteed genuine stuff, and any violation in this direction that may be complained of will be noticed.

7. The acceptance or rejection of the tenders received shall rest with the Executive Engineer alone without assigning any reasons therefor and his orders will be final and binding.

8. The earnest money of the unsuccessful tenderers will be refunded after disposal of all tenders received.

9. Within eight days after acceptance of the tender the successful tenderer should call over at the Division Office for executing the necessary mutchalika referred to in clause one of this notification. He must also deposit a sum equal to two months' rent *in advance* at the time of executing the mutchalika as a guarantee for the regular payment of monthly rents his original earnest money of Rupees twenty-five being adjusted in part towards the above advance of rent. This amount will be adjusted towards the rent due for the last two months of the period of lease of the Tiffin Rooms.

Notification dated 31st October 1932.

As it has come to the notice of the undersigned that the public are not co-operating with this Department in promptly adjusting the arrears of charges for water supplied from Chamarajendara Water Works, the following ruling contained in G.O. No. 772-5275, dated 29th June 1932, is herein republished for the information of the public. In cases where the

arrears are not paid up promptly, the terms of this ruling will be strictly given effect to, without notice and water connection cut off:—

Rule 20. The Executive Engineer or his authorised agent shall have the power to cut off the connection between the private pipes and the public main in any of the following cases.—

a. In default of payment of the excess water rates, meter rent and other charges due under the rules or of any bill presented on account of repairs to meters under rule 10 above, within 20 days after the same shall have been demanded in writing or presented.

H. F. MARKER,
Executive Engineer.
